Good Morning Marc,

Waiting on LADOT to send me an updated. At this location there is two pending cases in LADOT that takes a detailed investigation, 1) remove the red curb and 2) install 2 hour parking in front of the empty lot. Let me explain the process, once the District Engineer approves the request it gets sent to the LADOT Maintenance Yard for the installation of the signs, this entire process can take months to complete.

I meet with LADOT on a monthly basis to discuss your request and multiple other projects that have also been request in the District. Rest assure that I am working on these two request.

Thank you.

Ricardo –

I wanted to follow up please on the parking issue on Westmoreland. Any progress in getting 1) the curb in front of vacant parking lot changed from red, and 2) the entire stretch restricted to 2-hour parking. This is crucial for the area.

Luis – When we met at CD 10 a couple of weeks ago, you said that you may have some people who can help expedite things. I would appreciate any assistance you can provide to move this matter forward.

Thank you very much.

Ricardo –

Thank you very much for following up. Please let me know if there is anything I can do to help with the process. If the parking is not restricted, you will have people leaving their cars for days at a time, especially people looking to sell their cars and sleeping in their cars. This is the issue that the LAPD had.

Thank you gain.

Ricardo –

They finally changed the curb directly in front of my property to allow for parking. However, they did not do the section just to the north in front of the parking lot, and they did not place any parking restrictions. Currently, a car could park there all week, except for Friday morning street cleaning. I think this is the situation that caused the LAPD to want to restrict parking there. The area should ideally be 2-hour parking or even metered parking. The same should apply to the section in front of the parking area to the north.

I am assuming that the LAPD is no longer involved in the matter, so could you please ask DOT to make these changes as soon as possible.

Thank you very much.

Subject: Parking Curb - Westmoreland at Pico

Ricardo –

How are you? I hope you are having a good weekend. I wanted to follow up with you please regarding the red curb on Westmoreland just north of Pico. Have you received the letter you needed from the LAPD? Is there ANYTHING I can do to help move the process forward? This lack of parking is severely hurting my business and causing customers to park further north in the residential areas. I appreciate anything you can please do to speed up this process and get the curb changed to 2-hour parking.

Thank you very much.
